

Applications

The EUROFLEX® outdoor games with the classic games “Ludo”, “Draughts”, “Nine Men’s Morris” and “Chess” are the new and innovative product range extension of EUROFLEX®. These slabs can be combined with EUROFLEX® impact protection slabs standard and EPDM in 30 mm (available in the colours shown below) and can be easily installed in playgrounds or used as a stand-alone solution.

EUROFLEX® outdoor games are available in sets with impact protection slabs and play figures easy to lift even by children.

Slabs are also available with EUROFLEX® edge and corner profiles.
