NEW LIFE

TOP RECYCLED PRODUCT

KRAIBURG Relastec GmbH & Co. KG

is hereby certified that its

EUROFLEX® Riding Toy Slabs

may carry the **"Top Recycled Product" label** provided by the **NEW LIFE** initiative. Only products with a recycled material content of more than 80% are eligible for this award.

With **NEW LIFE**, we promote environmentally sustainable products and encourage conscious consumer behavior. Products with this label stand for a sustainable conservation of resources through the use of secondary raw materials and reduced CO_2 emissions making an important contribution to climate protection.
